What's Terdoggin?

It's 3 dogs & stuffing—all in 1 bite! We butcher & debone each dog & stuff one inside each other. A layer of cajun corgi cornbread stuffing is added between each dog & Elwood's special seasoning is sprinkled over the top.

Traditionally, Terdoggin is a terrier in a labrador in a mastiff, but we're turning tradition on its head: **you can pick, mix, & match!**

Size, weight, & serving size of terdoggin will vary by breeds chosen. Pick your pups & then place your order—or let us help you choose!
